Subject: [EXTERNAL] Ethnic Studies draft comment

My name is Dani Ishai Behan. I'm a Jewish activist and writer.

I've written a detailed reply to the recently released draft in the form of an article. Please look it over and take my concerns into consideration. <https://blogs.timesofisrael.com/jewish-americans-are-not-non-wasp-we-are-non-white/>

Thank you for your time.
