Subject: [EXTERNAL] Antisemitic programing in California

If you're going to run pro-Palestinian viewpoints- you HAVE to run pro Zionist viewpoint. How else will you teach your students to think if you only let them have one side of an issue? Build critical thinking- be fair.

This move is an end-run around legitimate concerns about anti-Semitism and anti-Israel bias in the California Ethnic Studies Model Curriculum [Draft.You](#) can do better for your students...
