Subject: CFIRD Urged to Adopt Safeguards to Ensure State-Sponsored Curricula May Never Be Hijacked for Political Indoctrination Against Any Group

Dear CRIFD Personnel:

Due to concerns about the recent politicization of a proposed Ethnic Studies Model Curriculum by its drafters for antisemitic and anti-Israel indoctrination, it's clear that it is not enough for the California Department of Education to merely mandate a re-write of the current draft's curriculum - the problem is much bigger than one curriculum. I join many others in urging you to prevent any future attempts to hijack our state's educational curricula by establishing robust safeguards capable of ensuring that the Ethnic Studies Model Curriculum, and all other state-sponsored curricula and instructional materials, may not be created or used as tools of political indoctrination that promote hatred and incite harm against any race, religion, group or individual.

I am a recent high school graduate and a CA taxpayer, so the CA educational system is very important to me. What kids are taught in school has a large impact on their beliefs and understanding of the world, so it is very important that they are not taught politicized, hateful and false things.

Thank you for your prompt attention to this crucial matter.
