Chapter 1	Bill Jacobs, concerned citizen	Page 2, Lines 27-31. After reviewing the mention of “various power structures and forms of oppression”, I noticed that Anti-Semitism was not included in the list. There has been a noticeable increase in Anti-Semitism worldwide, including here in California. Annual FBI statistics show that Jews lead the list of anti-religious hate crime victims (58.1 percent were victims of crimes motivated by their offenders’ anti-Jewish bias) in a typical year, including the most recent statistics available on the FBI website (2017 year). I hope you add Anti-Semitism to the list in the final version.
